

Just a few of the messages received

Hi Graham,

Just a note to thank you and all the marshalls and organising team for a really first class event. Congratulations to you all.
The long trek from Kent to Wales was worth it!

Best wishes and thank you once again.

Chris Judge.

Thanks for a great day, it was worth the long journey. Really good to try something different and great fun.

Thanks again
Angela & Willie

Just a quick note to thank you, Pete and the rest of the organising crew for a splendid days trialling yesterday. As usual Pete's hills were extremely challenging and seemingly impossible to us lesser mortals until you see Barry, Duncan or the guy in the Fiesta (on his first trial!!) waltzing up them with apparent ease. I think they call it skill!

Haven't got much of that but Lee and I thoroughly enjoyed ourselves anyway and the weather was a superb bonus.

Thanks again, Chris.

Hi Graham ...

... thanks for that - I look a bit worried in the photo - had an enjoyable day but bad result, for no apparent reason!!!

Cheers,

Dave

Graham,

thanks again for an enjoyable and well run event, we are indeed planning to return. Also nice of you to include the photos with the results.

Cheers for now,

Robin
