HCC Wales Car Trial

Sunday 25th July

Regs and Entry Form are attached to this newsletter if you receive it by email. If not then contact Stu Thomas on 07970 113561 for a set. **We will need marshals to man the 'hills', contact Stu to book your hill (the 'timed to a second' hill is free because I can't be there!). Please remember that there is a 'Clubman' permit event running concurrently for only £10, that's not a lot of money for a days motorsport fun! Come and have a go! Get your entry in because we were nearly oversubscribed on the Dennis Wells!**

Denbigh & Flint Show

Thursday 19th August

Clwyd Vale will once again be represented at the show with a stand and cars on display. It's a chance for the club to meet the general public to discuss what we're about and what we get up to. There will be a collection with all profits going to our nominated charity for this year, which once again will be the Wales Air Ambulance.

If you would like to help on the day please contact Stuart Jones on 01352 720684 before 9.00pm. If there is enough of us, the stand can be manned for a couple of hours each, so you'll even get time to look around the rest of the show. Stuart is also looking to borrow some small tables and chairs and pictures of club members on events.

This is your Newsletter...

"If I don't know what you're up to, then nobody else will"

Please send me anything of interest. Event reports are great to read whether you are a competitor, service crew, marshal, official or just spectating. Pictures can be put in and anything else that your colleagues in the club might find informative or amusing!

...and how do you get it?

For those of you who are receiving this Newsletter by email, please let me know if you change your email address. If you receive it by snail mail, please check the address on the envelope and let me or Pat Jones know if there are any amendments needed.

I am sure most of you have an email address or at least access to one and it would really help me (and the club funds) if you could change over to receiving the Newsletter electronically.

If we are not already catering for your requirements, then please do not hesitate to let us know so that we can do something about it.

This club newsletter and the website; www.cvmc.org.uk, are vital means of communicating information out to the members but they require input from everybody to succeed.

Horsey to have new co-driver

Kenyan Pirelli Star Driver recipient Peter Horsey will switch co-drivers for the rest of his World Rally Championship campaign, replacing Ugandan born Moses Matovu with Welshman (& CVMC Club Member, ED) Calvin Cooledge from the next event, the high speed Neste Oil Rally Finland.

Horsey and Matovu had contested the opening two events of their six round

program but with Moses finding it difficult to commit to the time away and with Peter requiring someone with more experience of the forthcoming rallies, a mutual decision was made.

Peter; "Moses is fantastic, and I can't thank him enough for all of the effort he has put into the rallies we have done together, and although we won't be together in the car we shall still remain very good friends!"

Moses; "It is sad that we won't be doing the rest of the WRC together but that is how life works. I am proud of how far Peter has come and wish him the best of luck for the rest of the season!"

Calvin Cooledge, who is based in Ruthin in Wales, is no stranger to the World Rally Championship. As well as having done gravel notes for the likes of Markko Martin, Calvin has also worked as a co-ordinator for the likes of Prodrive, R E D and MSD. A co-driver of many years experience Calvin has sat alongside former British Rally Champion David Higgins and his experience of Finland and also with competing on tarmac should benefit Peter enormously!

Student enrolment

The MSA is now accepting applications for the 2010 Advanced Apprenticeship in Sporting Excellence (AASE) in Motor Sport from drivers aged 16-18 years old.

AASE is a government-funded human performance programme designed to help talented young athletes achieve their sporting potential. Students receive three separate qualifications within the AASE framework: a Level 3 NVQ in Achieving Excellence in Sports Performance; a Level 3 BTEC National Certificate in Sport (Performance and Excellence); and an MSA Level 2 Certificate in Coaching Motor Sport. Candidates have the option to continue studying for their A levels at school instead of taking the BTEC qualification.

The closing date for applications is 16 July, with the programme starting in August 2010. Visit www.msauk.org/aase for further information.

Yes Minister

The MSA has welcomed the appointment of Jeremy Hunt as Secretary of State for the Department of Culture, Olympics, Media and Sport and Hugh Robertson as Sports Minister of the new government. Both were guests of the MSA at the 2009 British Grand Prix

Conflict of interest?

The 2010 Formula 1 Santander British Grand Prix takes place at Silverstone from 9 to 11 July. Book your tickets from www.silverstone.co.uk. The World Cup Final takes place on 11 July and will be shown live on giant screens around the circuit.

Meanwhile, ahead of the grand prix 25 marshals won a tour around the McLaren Technology Centre through a competition on the Go Motorsport website.

LCAMC wound up

For many years, the London Counties Association of Motor Clubs (LCAMC) provided valuable services to support the clubs in its area. These clubs are now represented by adjoining Regional Associations and the LCAMC has been unable to fill vacant officer posts or to otherwise revitalise the association.

Consequently, the LCAMC was formally disbanded at an Extraordinary General Meeting last month and the remaining funds were distributed to charities, including the Motorsport Safety Fund.
