081 Scatter

"I would like to thank all the competitors and marshals for their attendance on the 081 scatter.

Everyone seemed to have a good night (except for the lads in the red 106) which is now a bit sorry for itself, it was nice to see new members giving something different a go.

Thanks to the marshals for their help on the night even if 1 didn't make it to their post don't need to mention any names we all know it was Eddie Blackwell!!

Would like to say well done to the winners and well done to Stevo and David for coming 1st novice"

Thank you for your support on these events Al, Kate, Paul, Lynn

April Night Navigational Exercise

April's event was organised by Jan and Graham Thomas

Starting in Ruthin and finishing at The Leyland Arms Llanellidan this promised to use some of our less frequently used interesting lanes, another to attract an excellent turn-out of 10 crews.

As to be expected from Graham the plotting was very tricky causing a lot of head scratching.

The night was split into three sections, first section being features on the map that the route passed through, the second the more conventional method of spot heights and the third a unique box grid system.

None of this foxed the eventual winners who were away after 35 minutes.

Sections A and B had the usual symbols, hidden in the usual impossible to see places and, to add some variety, the third section included clues for the crews to look-out for.

With all the crews safely back at The Leyland, and following the usual steward's inquiry, the results were announced, declaring Father and Son team of Neil and Rob Lloyd as overall winners.

Next event is to be organised by Tina and Keith Cross, and if their last one at Christmas is anything to go by it should be a cracker. (Ignore the pun)

Lee Holland Memorial Rally

Just a quick note for the purposes of appraising you for the CVMC Club Championship. Wol (John Whalley) & I entered the Lee Holland Memorial Rally at Ty Croes / Anglesey Circuit on 13th of this month. Though we had a fun, fairly faultless & educational day, the Escort was completely out-classed by too many Imprezas & Evos, etc. who were able to leave us standing on the many long straights. We ended up 25th overall (in what was, admittedly quite a large entry) & 10th in Class.

We're hoping for an entry in the Clwydian & also hoping for better results!

Best wishes,

Peter (Dennis).

Playstation Night

"Thanks to all who attended last Wednesday's PlayStation night. Had 15 people in total which meant the number of stages had to be cut down from 3 to 2. Big congratulations to Al Hayward after putting in a fantastic time in the Mini (02:30:18), some 9 seconds ahead of everybody else. Other noticeable performances came from Stu Thomas, winning stage 1 in a VW, and Pat Jones setting a time that could only be recorded with a calendar!

Cheers

Rob (Lloyd)
