- NOTES : 1. The Restricted Stage Rallies are dependant upon the allocation of forestry roads by the RAC M.S.A. Limited.
2. The Single Venue Stage Rallies are dependant upon land being available. Any Members knowing of any suitable land or roads should notify the Secretary as soon as possible.

Insofar as competitive events are concerned these are fixed for the year but any number of additional Social events may be added to the programme. If any Members have any ideas in this respect, original or tested, then they should pass on their ideas to the Secretary as soon as possible so that arrangements may be made accordingly.

To ensure the success of each of the events listed we must be assured of Organisers for each event with a reasonable number of Members turning out to compete. If you can assist in the organisation of any of the events then your co-operation will be appreciated.

Full details of each individual event will be notified in the monthly Bulletin together with any changes to the foregoing programme from time to time.

Signed on behalf of CLWYD VALE MOTOR CLUB,
GARETH W. JONES,
Secretary.
