## What does the Motorsport UK insurance policy cover for personal accident?

Personal accident insurance benefits are automatically provided to all signed on officials or marshals, and licensed competitors, attending UK based events that are organised or approved by Motorsport UK.

The personal accident insurance policy, arranged by Marsh Sport, provides financial protection in case of accidents, injuries, or disabilities that may occur on the track.

You can find out more about the Motorsport UK insurance provided at [www.marshsport.co.uk/motorsportuk](http://www.marshsport.co.uk/motorsportuk).

## What are the insurance cover 'top up' options?

Motorsport UK members can 'top up' this insurance at competitive premiums should they wish to increase the level of benefit that the policy can provide.

The top up policy provides cover for attendance at events organised/permitted by Motorsport UK. Cover can also extend to four-wheel motorsport events overseas which are run under a permit issued by an FIA recognised ASN where you hold the appropriate grade of licence.
