31. USE OF SOCIAL MEDIA IN RELATION TO CLUB MATTERS (AS RECOMMENDED BY MOTORSPORT UK)

- Don't write something that you wouldn't be prepared to say to someone.
- When posting on a social media website, assume that anybody can access that post.
- Check the privacy settings of your social media accounts. These settings determine the extent to which the information you share is publicly accessible.
- Determine whether you are participating in a personal or official capacity and consider whether your opinions and activity are appropriate in that context.
- Never share personal details such as home addresses and telephone numbers except with people that you know and trust, in which case it is advisable only to share such details via private messages.
- Remember that participating in social media results in your comments being permanently available and open to being re-published by other media outlets. It should be assumed that anything published in social media will remain available indefinitely, even if it is deleted from the original site.
- Respect confidentiality, stay within the legal framework and be aware that safeguarding, libel, slander, copyright and data protection laws apply.
- Be aware that your interaction with social media may attract interest from the wider media, so proceed with caution whether you are participating in an official or personal capacity.
- Never use social media to insult anyone directly or indirectly.
- Motorsport UK Members who hold a position of trust and/or responsibility over young people (ie those under 18 years of age) in the course of their duties should be very careful when interacting with those young people via social media.
- Beware the temptation to use the 'perceived' anonymity offered by some online portals to post unacceptable comments about events or individuals.
- You should be mindful at all times that Motorsport UK regulations and UK law continue to be applicable in the online environment.
